Water Leak Repair

Unfortunately we have had a burst pipe near our lower entrance, which has been extensively excavated for repair. As a result, we ask that of our Nursery Unit and P1-3 parents and pupils take care when walking in and around our lower entrance. The excavated area is well enclosed but please take additional care and patience in terms of social distancing as it has created a potential bottleneck. As a result, Mrs Barrow's P3 class will now enter and exit via the upper entrance to the school. Mrs Barrow will wait for her P3 class above our main entrance in the mornings. Hopefully the repair will be completed very soon by the EA maintenance team.

2. If anyone becomes unwell with Covid19 symptoms in school, they must be isolated and sent home immediately, alongside any family members also in school.
3. If any child is absent from school for any reason, the school will need to be informed of the reason for their absence before they can be readmitted to school.
4. No parents/guardians will be permitted inside our school building at this time.
5. Parents/guardians leaving off and collecting children should remain socially distanced.

Parents/Guardians should wear face coverings while on our school premises.
